OTHER

To ensure a quality customized experience for each audience, Josh will provide a pre-event questionnaire which must be completed in order to prepare the agreement.

A pre-event conference call between Josh and the client must be coordinated with the speaker's representative and completed at least 30 days prior to the engagement.

Video recordings are allowed for internal use. See contract for details. Digital copies of all video and photos are to be provided to speaker's representative within 14 days after the event.
