Dave Moore is a former Coast Guard Search & Rescue Pilot and Air Force combat pilot. He survived three plane crashes and now challenges audiences to become a leader worth following.

Dave did a fantastic job! Not only did he provide enthusiasm and passion, but his story was fantastic. He tied so well into our meeting theme. Then he stayed for our event and interacted with our sales staff. We were very pleased with him and would love to have him back again.

-Sara J., Meeting Coordinator, JADCO

Dave's stories really energized the crowd and his low-key personal style was just right for our Staff Appreciation event. He interacted well with the group and presented challenging situations in a light-hearted, yet instructional way. We have already recommended him for other events.

-Jean P., Director, DHCD Maryland

Your Audience will love Dave's interactive style as he addresses:

- Remove the Limits
- Positive Attitude
- Lead the New Norm
- Challenge the Challenge
- Create your Best Life
