TESTIMONIAL

"I have had the pleasure of getting to know Carl as an entertainer, at which he is nothing short of incredible! I am still flabbergasted at his ability to read minds! Then I experienced his expertise as a guest speaker at the CalSAE Annual Elevate Conference. Incorporating his skills as a mentalist and entertainer with his knowledge on the subject of reading minds and body language to positively influence all those around you, whether they are business associates, family members or friends... again – incredible! He leaves you with skills you can use daily and does it in such an entertaining fashion! Carl is someone you will definitely want to have as a speaker at your next conference."
