After 20 years in the personal and professional development space, Kevin L. McCrudden is better known as “Mr. Motivation and America’s CMO – Chief Motivation Officer.”

Kevin is an international author, speaker and the only motivational and leadership speaker in American history to ever have a day of recognition passed by The United States Congress and New York State. He is the founder of National Motivation & Inspiration Day®, which was passed by The United States Congress after the tragic events of 9/11/2001. January 2nd is acknowledged as National Motivation & Inspiration Day® and January is Motivation & Inspiration Month®!

However, he has released his most important and powerful work to date, he is the author and creator of globally unifying and award-winning documentary “**The Light of Man®**,” which has been a “Selection” at over 20 Film Festivals around the world and voted “Best” Inspirational Film in Los Angeles, Las Vegas, New York, London, Paris, Rome and Cannes, France. This transformational work was also named 2022 Best Faith-Based, Spiritual and Inspirational Film by the Global Independent Film Festival in India.

The New York Film Awards, wrote:

“Powerful. The Light of Man® is a love letter to the world, which promotes original thinking about the power of connection between human beings.”

After dedicating over 20+ years to the field of personal and professional development, self-help, and motivational, inspirational, management, leadership, sales training and executive coaching, he is now an internationally award-winning filmmaker.

Kevin is the author of 8 books and audiobooks that are sold in over 30 countries around the world. He has spoken in almost every state in America and has appeared on international radio and TV programs, in addition to being a TV, Radio and Podcast Host.

In addition to being an international author and keynote / commencement speaker, Kevin is a former semi-professional soccer player, candidate for political office, serial entrepreneur, and college lecturer.
